

SIPL

Complete Infrastructure Solution
ISO 9001:2015 Certified Company

PERFORMANCE THROUGH **EVOLUTION** **AND INNOVATION**

Manufacturer & Exporter of:

E.O.T. Crane, Electric Wire Rope Hoist & Material Handling Equipments.

Sahjanand Infratech has been a leading manufacturer of material handling equipment since 1995. Our diverse product range includes Pre-Engineered Buildings (PEBs), EOT Cranes (Single and Double Girder), Goliath Cranes, Jib Cranes, Electric Wire Rope Hoists, Flameproof Hoists, Chain Hoists, and more.

With over 1,000 successful installations and 400 satisfied global customers, our experience and commitment have driven our growth and customer trust. We aim to become the world leader in material handling equipment and PEB solutions, setting a benchmark for businesses worldwide.

We deeply thank our global clients for their unwavering support in our journey of success.

- To become World's most Reliable Crane Manufacturer with Consistent Quality
- Best & Quick Cranes Services Company
- Bring Inspiration & Innovation to every SIPL Projects
